SAVIO RODRIGUES

Farnborough, England, United Kingdom

Email: savorodrigues05@gmail.com
LinkedIn: https://www.linkedin.com/in/savio-r-96a6ab140/

PROFESSIONAL SUMMARY

Aspiring and driven Software Developer with experience in full-stack development, automation tools, and web application design. Proven ability to research, prototype, and implement user-centric solutions. Proficient in PHP, Python, MySQL, and MVC architecture, with a strong foundation in both front-end and back-end technologies. Eager to contribute to collaborative development teams and continuously advance technical expertise.

TECHNICAL SKILLS

Languages & Tools: PHP, Python, SQL, HTML, CSS, JavaScript, React Native
Frameworks & Platforms: MVC, Microsoft Power Apps
Tools: Visual Studio Code, Git, Scrum/Agile Methodologies
Testing: Manual & Performance Testing
Soft Skills: Critical Thinking, Collaborative Problem Solving

EXPERIENCE

Catering Assistant – Imperial College Healthcare NHS Trust – Hammersmith, UK
Jan 2022 – Present (Part-time)

- Delivered essential food services to hospital wards while managing allergy-sensitive meals.
- Guided new patients across the facility, ensuring smooth transitions.
- Managed kitchen operations including food safety and stock organization.

Intern, Housing Market Researcher – AN Estates – Harrow, UK
Sep 2019 – Oct 2019

- Researched and recorded housing data in Excel for potential lettings.
- Analyzed energy performance certificates (EPC) using government resources.

EDUCATION

University of Greenwich -London, UK
MSc Computer Science (2025–2026)
Awarded: Merit

University of Kingston – London, UK
MSc Computer Science (2021–2024)
Awarded: Lower second class

Harrow College – London, UK
BTEC Level 3 Extended diploma IT (2019 – 2021)
Awarded: DMM

Newman Catholic College
General Certificate of secondary Education (2016-2019)
6 GCSEs including Mathematics and English

PROJECTS

Academimate – Student Housing & Roommate Matching Platform

- *Tech: PHP (MVC), MySQL, HTML, CSS, JavaScript*
  • Built a full-stack web platform allowing students to find housing and compatible roommates
  • Implemented secure user authentication, profile matching, search filters, and listings database
  • Designed UI/UX wireframes and applied Agile (Scrum + Kanban) during development
  • Prioritised usability, accessibility, and security across the platform

Real Estate Manager-Property Management Mobile App Team Project

- Co-developed a cross-platform mobile app using React Native, enabling landlords to easily manage property listings, tenants, and communications from their smartphones or tablets.
- Designed modular and reusable UI components with React Native and Expo, supporting both iOS and Android platforms.
- Used Git and GitHub for collaborative version control and project management, following Agile methodologies for iterative feature delivery and task tracking.
- Implemented in-app features such as property photo uploads (using device camera and gallery), messaging between landlords and tenants, and live updates on property status.

Recipe Boxes — Full-Stack Subscription E-commerce Website

- *Tech: PHP, MySQL, HTML, CSS, JavaScript (MVC)*
  • Built a responsive e-commerce platform for recipe box subscriptions

- Created user dashboards, subscription flows, and admin management tools
- Applied MVC structure for cleaner, scalable backend architecture
- Worked as part of a team to deliver features using Agile methodologies

Grade Calculator — Testing & QA Project

- *Tech: Manual Testing, Test Cases, Bug Reports*
  - Executed functional and performance test cases on a grade calculator system
  - Identified bugs, documented issues, and collaborated with developers on fixes
  - Practiced test planning, validation, and regression testing

CERTIFICATIONS

AWS Educate: Introduction to Generative AI – Amazon Web Services (Issued Mar 2025)

EXTRAS

-Open to roles in Software Development, Full-Stack/Mobile App Development, and Automation
-Passionate about building technology for social good and solving real-world problems
-Independent music producer specializing in trap music
-Multilingual: English, Konkani, Portuguese (elementary)
-Hobbies: Football and music production
